How to register my meals?

You can register your meals for a specific date, each day of the week, or the whole week/month/year by clicking on the relevant cell/text. This registration will help kitchen staff estimate the number of meals per day.

IMPORTANT:

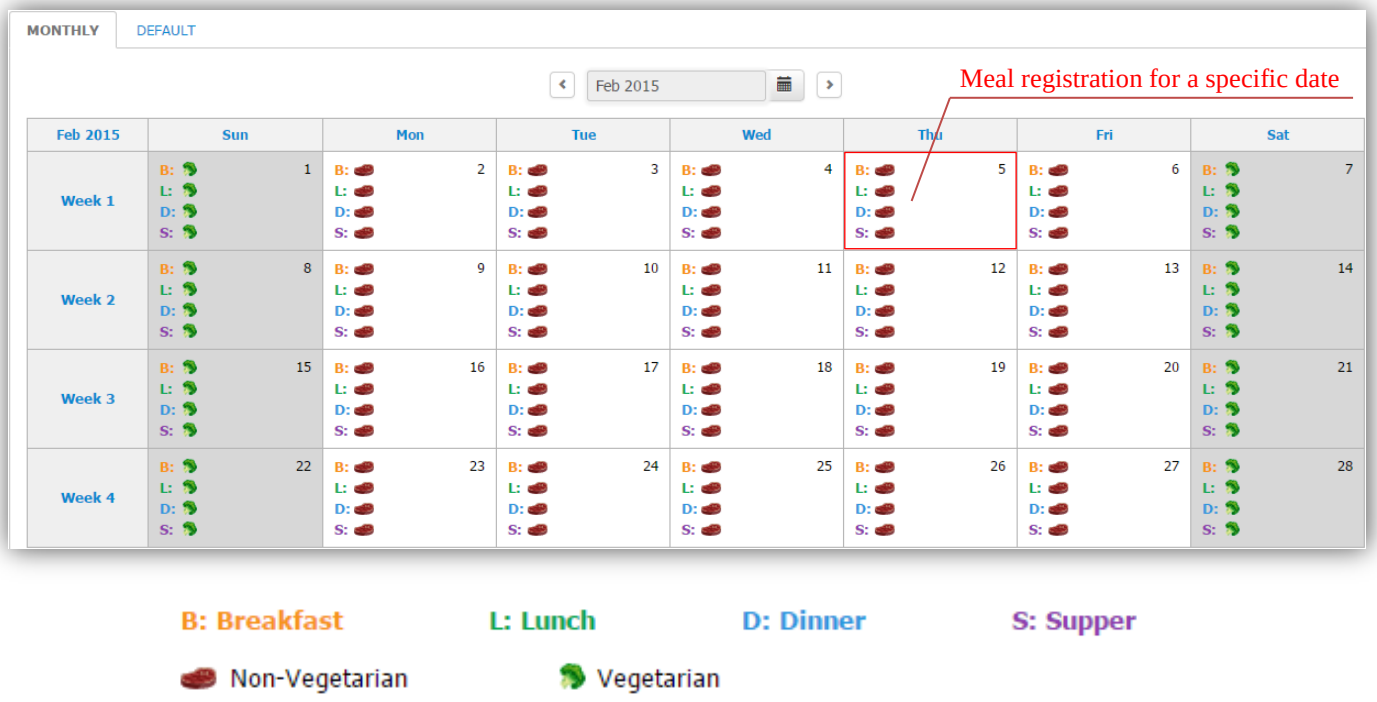

– Meals must be registered at least 7 days for Vegetarian and 1 day for Non-Vegetarian in advance.

– If there is no registration yet, Non-Vegetarian meal will be served by default.

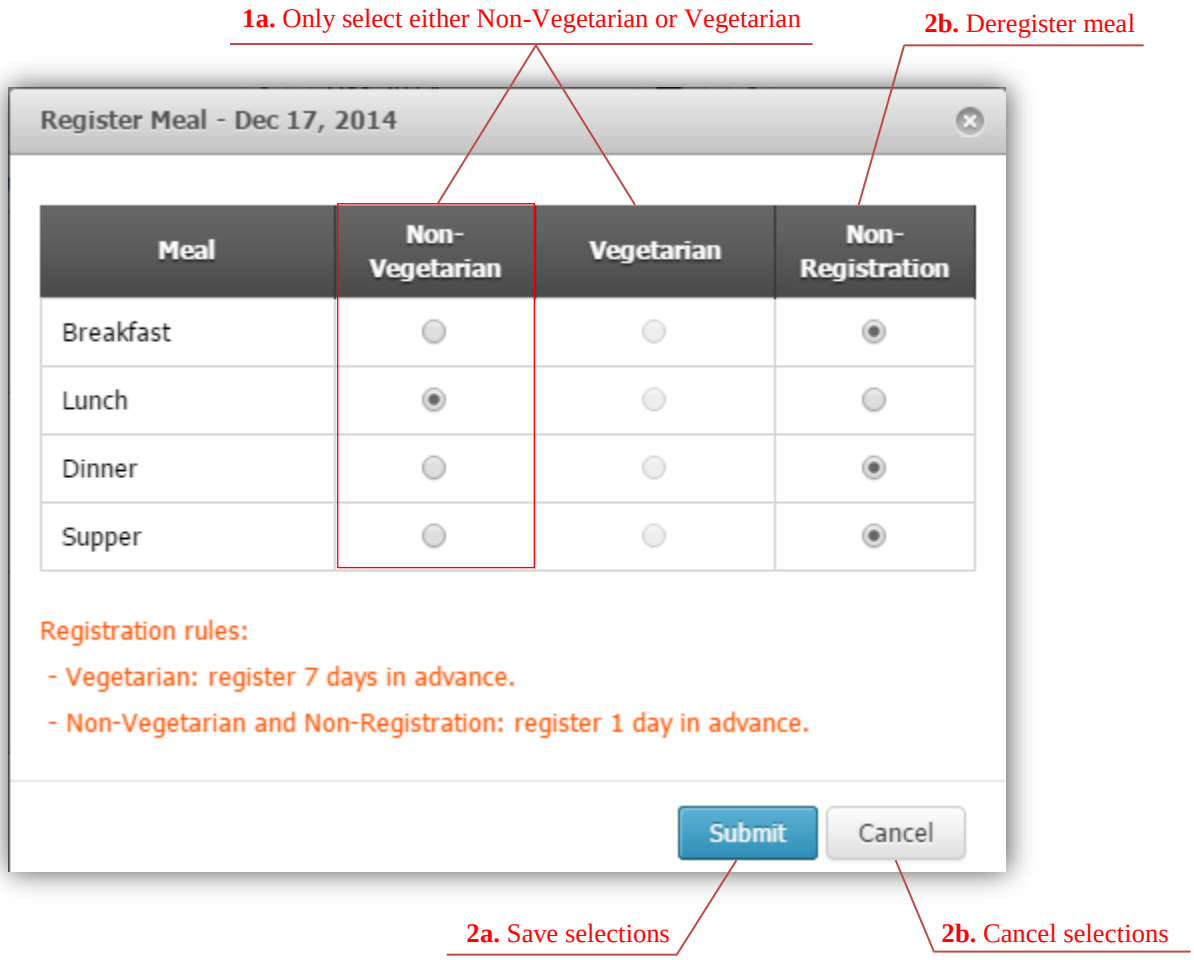

– Both Vegetarian and Non-Vegetarian cannot be registered on the same day.

1. Meal registration for a specific date

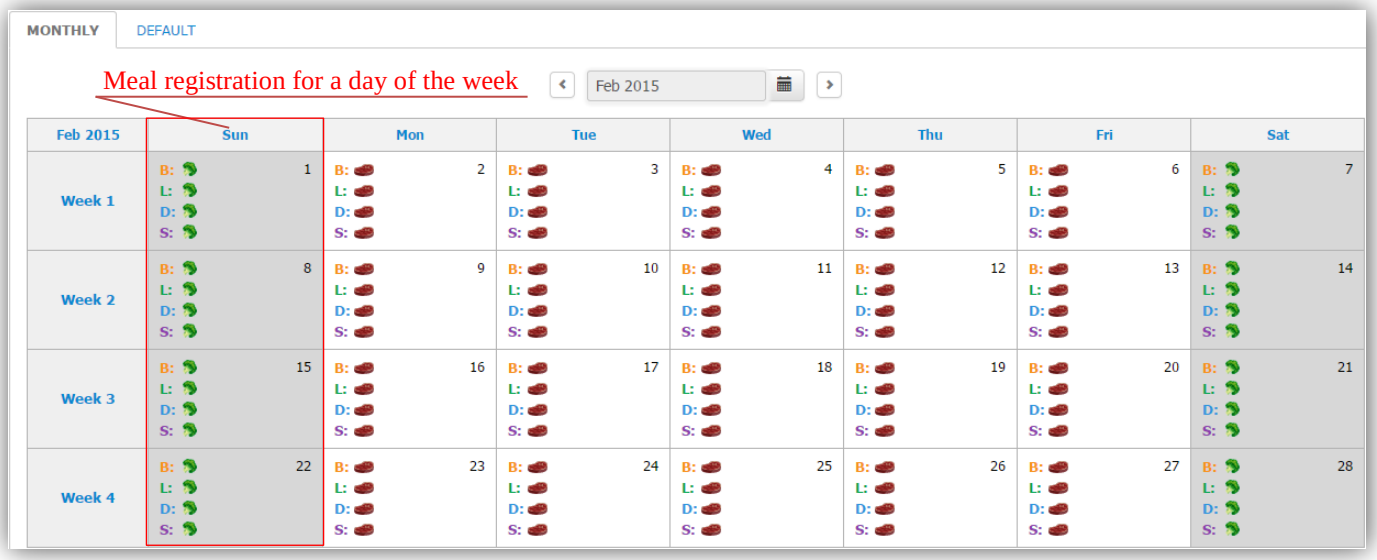

Step 1: Select a specific date.

Step 2: Select your preferred meals of selected date.

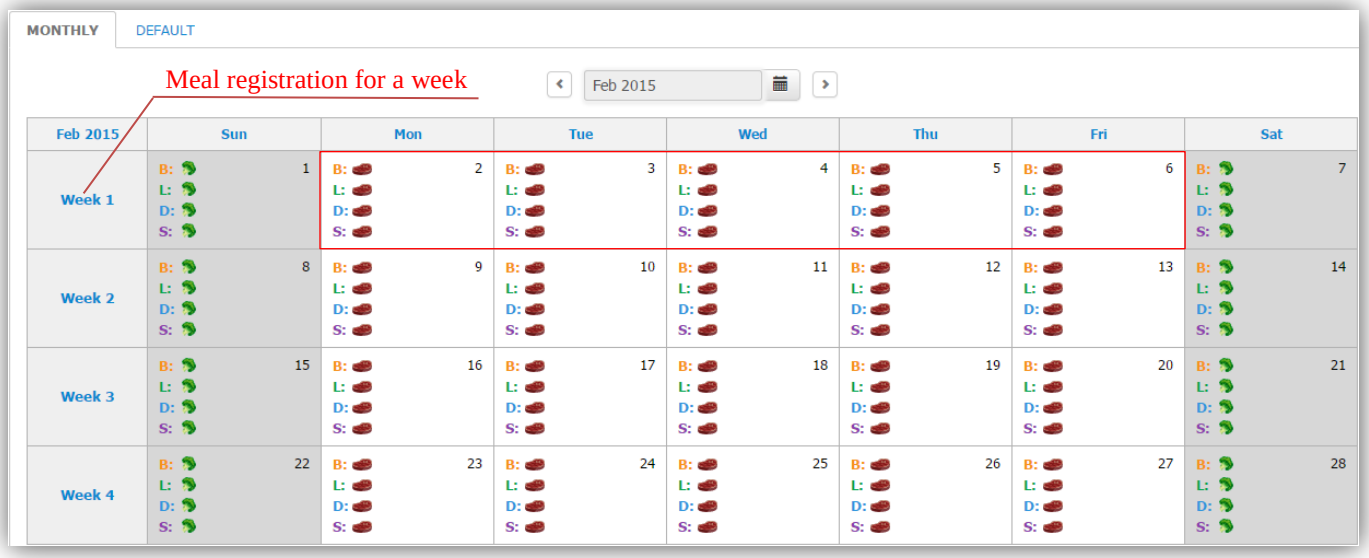

2. Meal registration for each day of the week

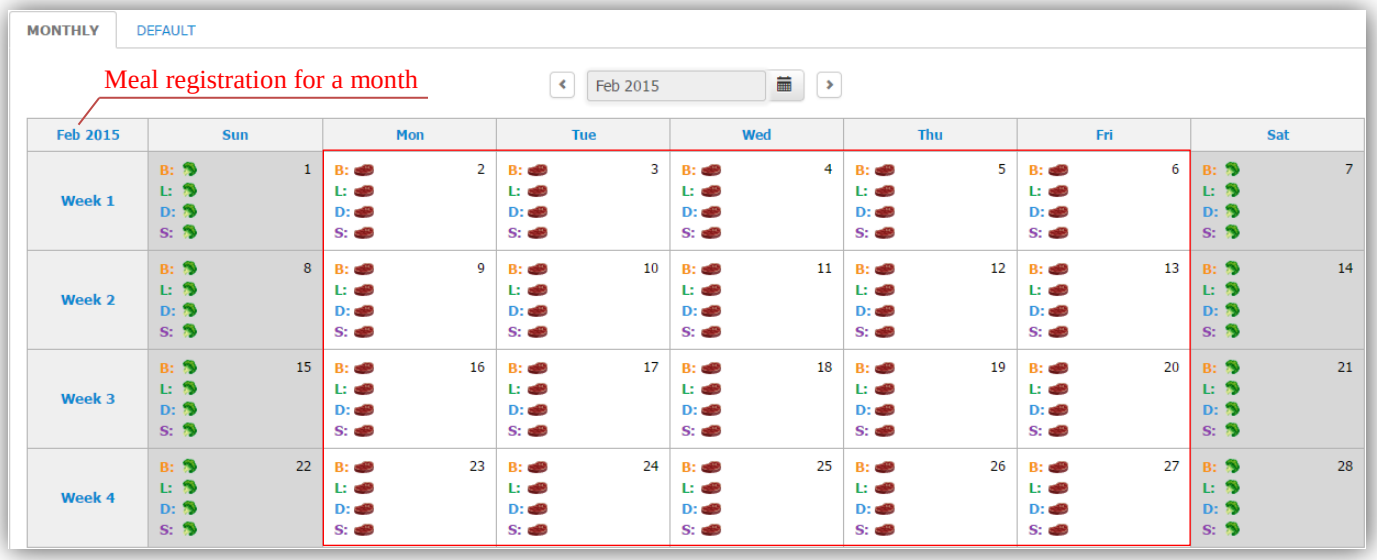

3. Meal registration for a week

Note that Week/Month registration does not count Saturday and Sunday.

4. Meal registration for a month

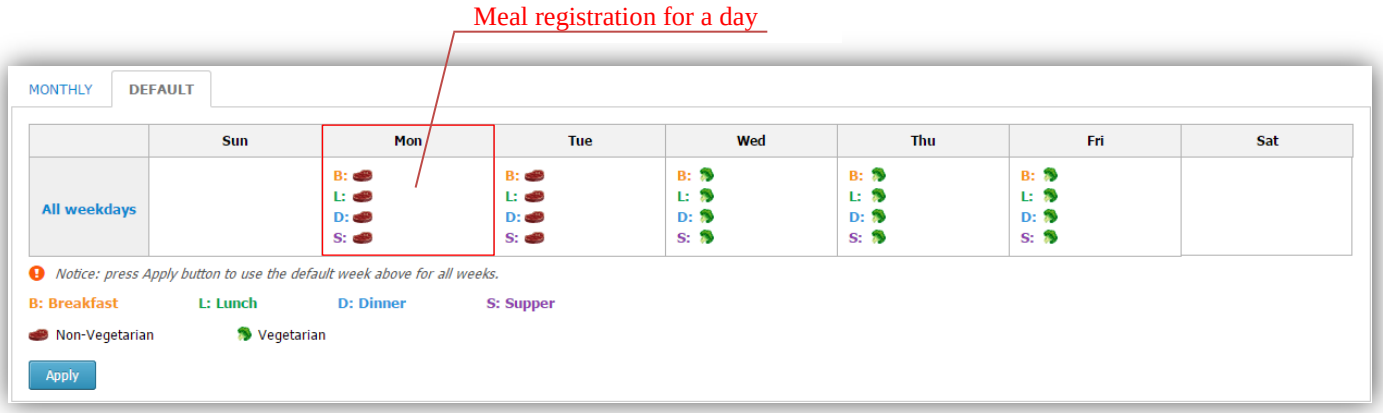

5. Meal registration for a year

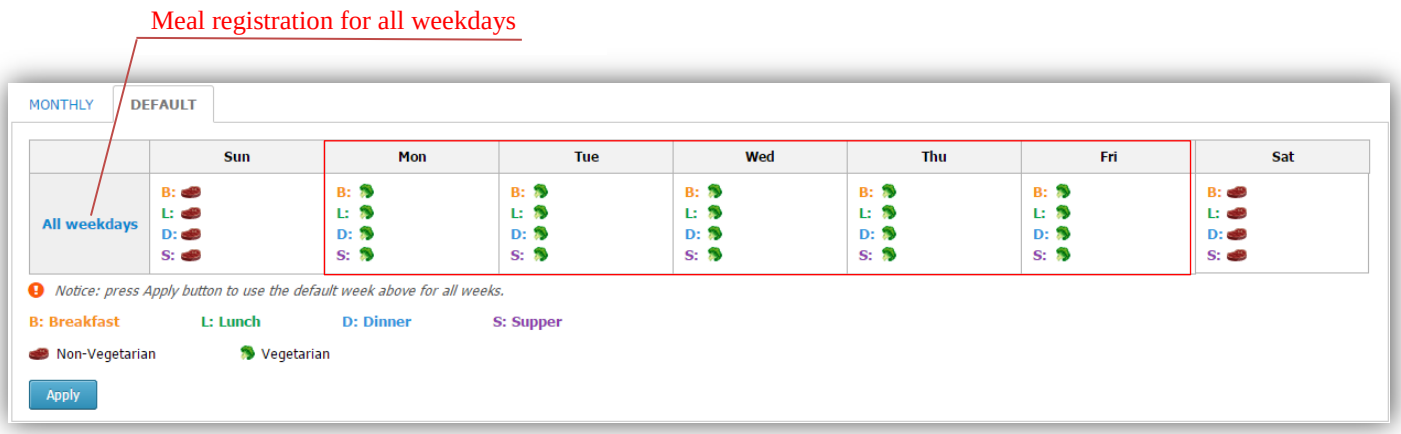

DEFAULT tab allows you to register your meals for the whole year.

– **Step 1**: Create a sample week, which contains your preferred meals of each day of the week. There are 2 ways to select meals of this week.

➢ Select meals for a day.

➢ Select meals for all weekdays except Saturday and Sunday.

– **Step 2**: Click  to use this sample week for all weeks of the current year.
